Yes, we ARE

OPEN DURING CONSTRUCTION

Please be aware, construction will be ongoing throughout the school year and will temporarily impact some of our space availability, accessibility and programming options.

*Meeting areas and activities may be modified to accommodate daily circumstances.

*Several programs will need to be paused and resume after construction is completed including: Tot Time, Tot Sports Academy & our Drop in Open Recreation Program.

We look forward to the potential our new construction will bring to the Fidelity House community long term, but understand it will require some short term allowances and lots of patience to get there.

Thanks in advance for your understanding!
